### Fire Station 17 - Mid-City 33-080.0

Council District: 3

Community Plan: Mid-City

**Description:** This project provides for reconstructing the 50-year-old fire station at 4206 Chamoune Avenue in the Mid-City area. The station will accommodate up to ten personnel, two fire apparatus and one paramedic unit. This is one of 12 projects included in the Fire Services Facility Improvement Program approved by the Mayor and City Council on February 27, 2001 per Council Resolution R-294609 and amended by the Mayor and City Council on April 16, 2002 per Council Ordinance O-19054.

**Justification:** This is the sixth busiest engine company in the United States. The present station, which has been in continuous service for the last 35 years, is in a state of deterioration.

**Operating Budget Effect:** The square footage increase of this fire station will result in increased maintenance costs. See Operating Budget Effect Table.

**Relationship to General and Community Plans:** This station is consistent with Council policy to provide five minute response times to all residential areas. It implements the policies embodied in the Mid-City Communities Plan and is in conformance with the City's Progress Guide and General Plan.

**Scheduling:** The project schedule will be revised once funding is identified.

**Summary of Project Changes:** The project budget reflects estimates as of November 2005. The revenue source for this project is unidentified, contingent upon future bond financing. The project cost and schedule will be revised when completion of funding is identified.

## Fire Station 22 - Point Loma Reconstruction 33-102.0

Council District: 2

Community Plan: Peninsula

**Description:** This project, located at 1055 Catalina Boulevard, provides for the expansion of Fire Station 22 in Point Loma. This is one of 12 projects included in the Fire and Life Safety Services Facility Improvement Program approved by the Mayor and City Council on February 27, 2001 per Council Resolution R-294609 and amended by the Mayor and City Council on April 16, 2002 per Council Ordinance O-19054.

**Justification:** The existing fire station was built in the early 1940s and is now too small to accommodate new fire engines.

**Operating Budget Effect:** The square footage increase of this fire station will result in increased maintenance costs. See Operating Budget Effect Table.

**Relationship to General and Community Plans:** This project is consistent with the Peninsula Community Plan and is in conformance with the City's Progress Guide and General Plan.

**Scheduling:** The project design is scheduled to be completed in Fiscal Year 2007. Construction will be scheduled when funding is identified.

**Summary of Project Changes:** The project budget reflects the estimates revised in November 2005. The revenue source for this project is unidentified contingent upon future bond financing. The project cost and schedule will be revised when funding is identified.

Fire Station 45 - Mission Valley 33-090.0

Council District: 6

Community Plan: Mission Valley

**Description:** This project provides for a new station in Mission Valley (formerly named Fire Station 2). The station will accommodate up to 17 personnel, two engines, one aerial truck, two hazardous material apparatus, one paramedic ambulance and one Battalion Chief vehicle. In addition, this project provides for a mini-park adjacent to Fire Station 45. This is one of 12 projects included in the Fire and Life Safety Services Facility Improvement Program approved by the Mayor and City Council on February 27, 2001 per Council Resolution R-294609 and amended by the Mayor and City Council on April 16, 2002 per Council Ordinance O-19054.

**Justification:** A fire station is needed to serve the Mission Valley community. This project is consistent with City Council policy to meet response time guidelines.

**Operating Budget Effect:** The temporary facility staffing and maintenance costs are reflected in the San Diego Fire-Rescue Department's Fiscal Year 2008 Annual Budget. See Operating Budget Effect Table for costs of the permanent facility.

**Relationship to General and Community Plans:** This project is in conformance with the City's Progress Guide and General Plan; however, the Mission Valley Community Plan does not currently provide for this project. An amendment to the Community Plan may be required prior to implementation of this project.

**Scheduling:** Design was completed in Fiscal Year 2005. A temporary facility for one engine company is located in the Qualcomm Stadium parking lot. The construction schedule for the permanent facility will be revised when funding is identified.

**Summary of Project Changes:** The project budget reflects the San Diego Fire-Rescue Facilities Financing estimates as of November 2003. The revenue source for construction of the permanent facility is unidentified, contingent upon future bond financing.

**Fire Station 47 - Pacific Highlands Ranch 33-105.0**

**Council District:** 1

**Community Plan:** Pacific Highlands Ranch, Del Mar Mesa, Black Mountain Ranch

**Description:** This project provides for a 10,500 square-foot fire station to serve the Pacific Highlands Ranch community. This station will have an engine and an aerial ladder truck. The project budget and funding reflect the Pacific Highlands Ranch Public Facilities Financing Plan for Fiscal Year 2005 as approved by the Mayor and City Council on December 7, 2004, per Resolution R-299980.

**Justification:** This is the second of three fire stations required to provide fire protection to the North City Planned Urbanizing Area.

**Operating Budget Effect:** See Operating Budget Effect Table.

**Relationship to General and Community Plans:** This project is consistent with Council policy to provide five minute response times to all residential areas. It is consistent with the Pacific Highlands Ranch Subarea Plan and is in conformance with the City's Progress Guide and General Plan.

**Scheduling:** Land acquisition was completed in Fiscal Year 2005. Design, construction, and apparatus acquisition began in Fiscal Year 2006 and is scheduled to be completed in Fiscal Year 2008.

**Summary of Project Changes:** Total project funding and cost reflects the Fiscal Year 2006 Pacific Highlands Ranch Public Facilities Financing Plan.

**Fire Station 5 - Hillcrest 33-104.0**

**Council District:** 3

**Community Plan:** Uptown

**Description:** This project provides for an approximate 10,200 square-foot fire station located at 3902 9th Avenue. The existing fire station will be demolished and replaced by a new modern fire station. This station will house a crew of eight and one Battalion Chief. It will accommodate one engine, one aerial truck, and Battalion Chief vehicle. This is one of 12 projects included in the Fire and Life Safety Services Facility Improvement Program approved by the Mayor and City Council on February 27, 2001 per Council Resolution R-294609 and amended by the Mayor and City Council on April 16, 2002 per Council Ordinance O-19054.

**Justification:** The current station is 48 years old. The water and sewer service to the existing station is deteriorating and requires immediate repairs. The station is too small to accommodate a new style fire engine and the larger type of aerial ladder truck.

**Operating Budget Effect:** The square footage increase of this fire station will result in increased maintenance costs. See Operating Budget Effect Table.

**Relationship to General and Community Plans:** This project implements the Uptown Community Plan and is in conformance with the City's Progress Guide and General Plan.

**Scheduling:** The project schedule will be revised when funding is identified.

**Summary of Project Changes:** The project budget reflects the San Diego Fire-Rescue Facilities Financing estimates as of November 2003. The budget includes \$50,500 which was allocated from the Uptown Development Impact Fee fund mid-year for Fiscal Year 2007. The revenue source for this project is unidentified contingent upon future bond financing. The project cost and schedule will be revised when completion of funding is identified.

**San Diego Fire-Rescue****Fire****Fire Station Major Component Replacement and Rehabilitation 33-098.0****Council District:** Citywide**Community Plan:** Citywide

**Description:** This project provides for the replacement and/or rehabilitation of major structural and construction components in older fire facilities throughout the City. Included are electrical service upgrades, HVAC, roofs, dormitory remodels, kitchen remodels, driveway and parking paving, exterior finishes and miscellaneous renovations. This is one of 12 projects included in the Fire and Life Safety Services Facility Improvement Program approved by the Mayor and City Council on February 27, 2001 per Council Resolution R-294609 and amended by the Mayor and City Council on April 16, 2002 per Council Ordinance O-19054.

**Justification:** The San Diego Fire-Rescue Department currently maintains 50 fire facilities. Over half of these facilities have been in service for more than 25 years. Many of the major components have exceeded their expected service life and must be replaced. The needs of modern technology and a diversified work force also require changes in fire facility configuration, HVAC systems distribution and energy capacity.

**Operating Budget Effect:** None.

**Relationship to General and Community Plans:** This project is in conformance with the City's Progress Guide and General Plan.

**Scheduling:** The project schedule will be revised when funding is identified.

**Summary of Project Changes:** The project budget reflects the San Diego Fire-Rescue Facilities Financing estimates as of in November 2003. ### Otay Mesa and Otay Mesa/Nestor Fire Station 33-086.0

Council District: 8

Community Plan: Otay Mesa, Otay Mesa/Nestor

**Description:** This project provides for an approximate 11,000 square-foot fire station to serve the Otay Mesa and Otay Mesa/Nestor communities. It will be located near the intersection of Palm Avenue and Del Sol Boulevard and will serve the community in addition to Fire Station 6 located at 693 Twining Avenue. It will accommodate two fire apparatus and a paramedic ambulance.

**Justification:** A second fire station is needed to serve the Otay Mesa community. It is consistent with City Council policy to provide five minute response times to all residential areas. Funding is included in the Otay Mesa Public Facilities Financing Plan.

**Operating Budget Effect:** See Operating Budget Effect Table.

**Relationship to General and Community Plans:** This project is consistent with the Otay Mesa and Otay Mesa/Nestor Community Plans and is in conformance with the City's Progress Guide and General Plan.

**Scheduling:** Land acquisition is in progress. Design, construction, and acquisition of furnishings and apparatus are scheduled in Fiscal Year 2008. This station is scheduled to be operational in Fiscal Year 2009.

**Summary of Project Changes:** The project funding and cost reflects the Fiscal Year 2006 Otay Mesa Public Facilities Financing Plan.

**Council District: 1**

**Community Plan:** La Jolla

**Description:** This project provides for the La Jolla Cove Station, located at 100 Coast Boulevard, which will be a year-round facility replacing the current station. The structure will include an observation tower, first aid room, and locker room/restroom areas for males and females. This project will also provide for an accessible ramp for the motlanding from the City right-of-way. This is one of ten lifeguard projects included in the Fire and Life Safety Services Facility Improvement Program approved by the City Council on April 16, 2002, per Council Resolution R-296359 and Ordinance O-19054.

**Justification:** The existing facility consists of a station constructed in the 1950s and an observation tower added in 1980. It is inadequate to accommodate staff or provide adequate water safety protection.

**Operating Budget Effect:** The operating budget effect will be determined upon completion of the project.

**Relationship to General and Community Plans:** This project is consistent with the La Jolla Community Plan and is in conformance with the City's Progress Guide and General Plan.

### Lifeguard Services

#### Lifeguard Headquarters and Boating Safety Unit Dock 33-508.0

Council District: 2

Community Plan: Mission Bay Park

**Description:** This project provides for the Lifeguard Headquarters Boating Safety Unit Dock located at 2581 Quivira Court. The replacement facility will house lifeguards, including 24-hour staff, administrative and training staff, mechanics, and will provide an operation yard and storage for the rescue fleet. Construction of this lifeguard facility will occur in two phases. This is one of ten lifeguard projects included in the Fire and Life Safety Services Facility Improvement Program approved by the City Council on April 16, 2002, per Council Resolution R-296359 and Ordinance O-19054.

**Justification:** The existing facility and dock were constructed in 1956. They are inadequate to accommodate staff and equipment. During the January 2005 storms, the dock was damaged making it necessary for the Department to rent space at Driscoll Pier to accommodate the boating equipment.

**Operating Budget Effect:** The operating budget effect will be determined upon completion of the project.

**Relationship to General and Community Plans:** This project is consistent with the Mission Bay Park Plan and is in conformance with the City's Progress Guide and General Plan.

**Scheduling:** The design of the Boating Safety Unit Dock is underway and construction is scheduled to begin in Fiscal Year 2007. The Lifeguard Headquarters facility has been deferred due to lack of funds.

**Summary of Project Changes:** The cost estimate for the reconstruction of the dock is \$2.7 million, \$1.0 million of which was allocated from the General Fund in Fiscal Year 2006.

**San Diego Fire-Rescue****Lifeguard Services****Pacific Beach Lifeguard Tower and Grand Avenue Restroom 29-473.0****Council District:** 2**Community Plan:** Pacific Beach

**Description:** This project provides for the design of a permanent lifeguard tower and restroom and changing room facility, demolishing the existing 1968 combination structure, and constructing replacement facilities, separately, on the Pacific Beach oceanfront at the foot of Grand Avenue. This project has been consolidated with CIP 33-501.0, South Pacific Beach Lifeguard Station. This is one of 10 lifeguard projects included in the Fire and Life Safety Services Facility Improvement Project approved by the Mayor and City Council on April 16, 2002 per Council Resolution R-296359 and Ordinance O-19054.

**Justification:** This combination facility was constructed at the foot of Grand Avenue in Pacific Beach in 1968 and is deteriorated, undersized, and not compliant with the Americans with Disabilities Act. The garage is undersized to fit modern lifeguard vehicles.

**Operating Budget Effect:** The operating budget effect is estimated to be minimal.

**Relationship to General and Community Plans:** This project is consistent with the Pacific Beach Community Plan and is in conformance with the City's Progress Guide and General Plan.
